IN RE: QUANTUMSHIFT COMMUNICATIONS, INC., f/k/a MVX.COM COMMUNICATIONS, INC.	DOCKET NOS. TF-01-169 TCU-99-30
---	------------------------------------

ORDER APPROVING TARIFF AND ISSUING CERTIFICATE

(Issued July 5, 2001)

On June 7, 2001, QuantumShift Communications, Inc., f/k/a MVX.COM Communications, Inc. (QuantumShift), filed a proposed tariff, identified as Docket No. TF-01-169, with the Utilities Board (Board) providing the terms, conditions, and rates for local exchange service in the local exchange territory of Qwest Corporation, f/k/a U S WEST Communications, Inc (Qwest). The Board issued an order in Docket No. TCU-99-30 on November 19, 1999, approving the application of QuantumShift to provide service in the Qwest exchanges and approving the concurrence in the exchange maps of Qwest.

In the November 19, 1999, order the Board stated that a certificate would be issued when QuantumShift had an approved tariff setting forth the terms and conditions for local exchange service and QuantumShift had filed a statement that it would provide 2-PIC dialing parity to all customers. QuantumShift provided for 2-PIC dialing parity in its proposed tariff. QuantumShift requests the Board approve the proposed tariff and grant it a certificate to provide service in the Qwest exchanges.

The Board finds that the proposed tariff is designed to establish the terms and conditions for local exchange service and substantially complies with Board rules for the filing and processing of tariff pages. The Board will approve the proposed tariff filed by QuantumShift and will issue a certificate authorizing QuantumShift to provide local exchange service in the Qwest exchanges. The Board will issue Certificate No. 0236 to QuantumShift concurrently with this order.

IT IS THEREFORE ORDERED:

1. The proposed tariff, identified as TF-01-169, filed by QuantumShift Communications, Inc., f/k/a MVX.COM Communications, Inc., on June 7, 2001, is approved.
2. Certificate No. 0236 is being issued concurrently with this order. Under the certificate, QuantumShift Communications, Inc., f/k/a MVX.COM Communications, Inc., will be allowed to provide local exchange service as shown by its tariffs as currently and subsequently approved.
